INVITATION

to the

19th Tafel Family Reunion

in **MEXICO CITY, MEXICO**

Sunday, August 5 to Wednesday

August 8, 2012

Dear Cousins,

We are delighted to announce that our next reunion will take place in Mexico, thanks to our chairperson for the event, Moonyeen Tafel Willy. Please mark your calendars now and begin making plans for what promises to be a unique and exciting reunion.

Although it is too early to give you full particulars, you can rest assured that we will be lodged in a comfortable and affordable hotel in the city. At least one of our dinners will be at a restaurant noted for its fine Mexican cooking.

The excursions now being planned are: a guided tour of Mexico City, a visit to the world famous Museum of Archaeology, a tour of Teotihuacan with its pyramids of the Sun and the

Moon and many temples, and a visit to the lovely San Angel Inn in the section of the city which was home to the Mexican Tafel family in the early 20th century. You will have the opportunity to experience Mexican culture across the centuries, from the pre-Columbian world of the Aztecs, to Spanish colonial Mexico, to the world-renowned modern art and architecture of the 20th and 21st centuries.

For those who might like to linger to see more of this fascinating country, an optional excursion to Puebla, the culinary capital of Mexico and the center of Mexico's finest artisanal tiles and ceramics, is being considered.

So we may begin to gauge attendance and get a preliminary head count for planning purposes, please respond by May 15th to:
